Continuation of 5. does NOT place the application in condition for allowance because: With regard to claims 1-15, the arguments were considered, but they were not persuasive. The prior art of record, Jeong and Lyons, is still believed to read on claims 1-15. The combination of Jeong and Lyons is maintained to teach, measuring the position of the user, the use of camera for taking an image of the user, a vision recognition part, and a video display screen that automatically pivots to face the user.
